Feeth  
D C Harbors Machine  
& Implement Co

Bank Bldg built 1904 - Harbors there only  
one story high and built next door south of that Bank Bldg.  
Apparently Harbors business started about 1904  
& contd till 1908 when D C Harbors  
moved his family to Leake.

It appears that this is when  
consolidated Oregon & Machine

Co. took over the Harbors business, and  
moved in the south portion of the Harbor more
